HIRE START DATE: _____

In fulfilling its charge, the Search Committee frequently deals with issues of a confidential or sensitive nature. Information is shared with the Committee and opinions are voiced during discussion to foster well-informed and thoughtful deliberations. As a result, each member of this Committee is privy to a wide variety of confidential information that, if shared outside the Committee, might cause unnecessary harm to colleagues and/or to the effective administration of The School of Humanities, Arts, and Social Sciences.

Every member of the search committee is strongly encouraged to maintain the highest level of confidentiality in discussing its work with those outside the committee. Members are elected to promote the best interests of Rensselaer, The School of Humanities, Arts, and Social Sciences, Department, and the Institute; therefore, each member has an obligation on behalf of the entire school to refrain from discussing sensitive or confidential matters with others.
